Camie,

Both Brian and I have reviewed it and have no further comments. Please have the county sign the cover sheet and send it to me for final approval.

Thanks,

Camie,

Just a few comments:

Stakeholders-what about the DNR contact for the project (not just the 6(f) person)?
Plan timeline – for the tasks that have already occurred, used past tense language
Project Message

- #4 – need to include discussion of pedestrians and access to park
- #6 – add 'will be required' to the end of the last sentence

Make these revisions and send me another .pdf for review.
