Good Afternoon Tom

I am pleased to inform you that additional federal funding has been approved for the Village of St. Cloud, CTH G (Main Street) STP-Rural program project. At this time only additional funds were requested for design ID 4854-03-00.

Previous approved federal funding = $261,338.40

Revised approved federal funding = $351,600

Please note that the federal funding for design has now been capped and is noted in the revised SMA below. Federal funding for construction is not capped.

Please sign 3 hard copies in blue ink and return them to me at the address below.

Please let me know if you have any questions.

Have a good day

*Sandy*
