Rich,

Could you scan and resend just the signature page? The one in the document is really fuzzy, and I don't want it to get worse when I sign and scan it a second time.

Thanks,

Hello Fred,
This De minimis Section 4(f) was reviewed, found sufficient, and has been approved.

Would you please incorporate the attached signature page in the CEC and send the final version back to us for our files.
Thank you,

Pete

Good Afternoon Tracy,

Please assign a Field Operations Engineer (FOE) for review and approval of the subject reconstruction project's De Minimis Section 4(f) finding. This Roadway Reconstruction project qualifies for Categorical Exclusion Checklist (CEC) documentation under the approved WisDOT/FHWA CE agreement. The De Minimis 4(f) is included as Attachment 10 (page 79) in the Draft CEC.

The NE REGION Local Program MC has certified the DRAFT CEC and Final WisDOT Project Manager signature/approval on the CEC will occur after FHWA De Minimis Section 4(f) approval.

Project is located in Fond du Lac County (Project Sponsor) and more specifically in the Village of St. Cloud, and is part of the NE REGION Local Program.

WISDOT ID: 4854-03-00
Route: CTH G (Main Street)
Termini: Palm Tree Rd – Cedarview Dr
Highway: CTH G

The document can be downloaded here https://ws.onehub.com/files/io26kdao .

I look forward to working with the assigned FOE on the above project.
