They are all good to go. **Work was done as specified and required.**  
Thank you!

Hi Isobel.

We don't typically pay electronic invoices as WisDOT has had numerous problems with companies sending both an electronic version and the statutorily required paper version of their invoice... but in this case, they clearly state this is the only invoice we are going to receive so I will print it out here and we will move forward...

Is this invoice ok to pay? Have they completed the work to your satisfaction? Any outstanding issues that are not being addressed?
