WisDOT Utility 3D Initiative

WisDOT Utility 3D Initiative

- Investigate 3D data and its Usefulness, Viability, and Return on Investment for utilization in Civil 3D.
- Run clash detection
- Document Southeast Freeway team practices, processes and workflows from previous projects.

WisDOT Utility 3D Initiative

- Evaluation of 3D utility survey data collection and transfer from permits issued by WisDOT
- Transfer data from utility company personnel and subcontractors for use in C3D and 3D models used by the contractors.
- Determination of the appropriate construction projects to utilize 3D utility survey data collection and transfer.

WisDOT Utility Lean Project

Improvements and Efficiencies in Utility Coordination

Delegation from Central Office Utilities to Regions

Invoices

Utility Agreement Change Orders

Second Moves

Develop efficiencies for the submittal of Low Value/Low Risk utility agreements

Continue efforts to identify efficiencies in the following areas:

- Consistent utility estimation and tools for DOT and utilities
- Interpreting and releasing utility land rights
 - Improve how utility easements and land rights are depicted on right of way plats and utility exhibits
- Consistent legal description template development

WisDOT Utility Coordination News Bulletin

	<h2>WisDOT Utility Coordination News Bulletin</h2>	
<p>For WisDOT utility coordination staff, associates and business partners Email questions, comments and news tips to: DOTDTSDCOUtilityCoordination@dot.wi.gov</p>		
UB#02	Volume 2 ■ Published 070716	
UB#01	Volume 1 ■ Published 052516	
<p>This bulletin has been developed to provide updates, clarifications, job aides and news pertaining to WisDOT utility coordination and related WisDOT programs, policy and services. Information published in this bulletin will be of interest to those who work closely with utility coordination. WisDOT's Division of Transportation Services Development/Bureau of Technical Services (DTSD/BTS) - Utilities will review each submission prior to publication. Questions, suggestions and comments may be sent to the DTSD/BTS-Utilities shared mailbox at DOTDTSDCOUtilityCoordination@dot.wi.gov.</p>
