Comments

Summer off by 1 hour Count started at 6am  
 Summer says 7am. There were a total of two  
 cars that ran red lights coming off 441 N and turning  
 left at lights to OO. Flot of Semi trucks from  
 all ways. Very busy intersection from 6am - 8:30am.  
 Slowed down after 8:30am, but still a heavy traveled  
 intersection.
