3. Anticipated Start Date

N/A

4. Estimated construction time required (In working days)

N/A

5. List the approvals required and the expected time schedule to obtain those approvals.

N/A

6. Include a list of the real estate parcels that the Wisconsin Department of Transportation (DOT) must have acquired to enable your company to complete the necessary facility installations and relocations prior to construction.

N/A

7. Review the enclosed plans for the above project. Are your facilities correct as shown? If not, list the errors. In some cases, it may be easier to return a marked up copy of the plan. **It is very important that your facilities are shown correctly because all construction field personnel will use this information. Uncorrected location errors could create construction delays or damage to utility facilities.**

Not shown - resurface project

8. Is this work dependent on work by other utilities? If so, which other utilities, and what time schedule has been coordinated with them?

No

9. Please provide the name, address, and telephone number of the field contact person for this project, so that we may place this information on the highway plan

Yes No

☒ ☐ Do you have any facilities that are no longer in use but have been left in place in the project area? If "Yes", approximately where are the facilities located and what type and size of facility is involved?

**old trunk cable on east side of road in ROW**

☐ ☒ Does the line have any remaining product?

☐ ☒ Does the line have any asbestos wrap or any other hazardous materials associated with it?

☐ ☒ Does any part of the line conflict directly with the proposed highway project? If so, what arrangements have been made to remove those portions? This should be mentioned as part of your work plan in question number 1 on this form.

☐ ☒ Is there any reason the highway contractor cannot remove portions of the line left in place?

If you answered "Yes" to any of the questions above, please attach additional pages.
