- All commitments agreed upon between negotiator and property owner are listed below.
- All commitments are subject to approval of WisDOT.
- Basic concepts of construction project have been explained to owner.
- No other commitments, either verbal or implied, are valid.

Commitments made (fences, driveways, trees, drainage or other items):

Any changes to the detention pond located at about station 619+00 WB, 100' left will be done as part of the project with no cost to the church. The detention pond after the project is completed will function as it currently does.

Other matters of interest and owner concerns:

It is the understanding of the church that the steel cross and flames monument located within the TLE area just north of the first driveway on Julius Drive at about station 45+25 JUL, 60' right will not be affected by the project.
