- All commitments agreed upon between negotiator and property owner are listed below.
- All commitments are subject to approval of WisDOT.
- Basic concepts of construction project have been explained to owner.
- No other commitments, either verbal or implied, are valid.

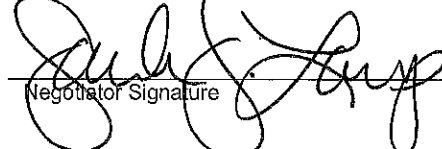

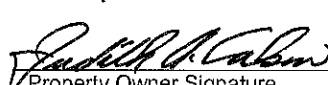

Commitments made (fences, driveways, trees, drainage or other items):

The owners' septic vent lines run through the Temporary Limited Easement area on the south side of the driveway. The contractor should proceed with caution in this area. If the vent lines are disturbed as a direct result of the project, they will be replaced in kind.

Other matters of interest and owner concerns:

The owner has a split rail fence and plantings encroaching in the existing right of way, identified as encroachment #53 the owner has until September 25, 2016 to remove these encroachments. *The owner has a garden stream pond to the south of the easement area outside of the project limits. The contractor should proceed with caution in this area.*
