- All commitments agreed upon between negotiator and property owner are listed below.
- All commitments are subject to approval of WisDOT.
- Basic concepts of construction project have been explained to owner.
- No other commitments, either verbal or implied, are valid.

Commitments made (fences, driveways, trees, drainage or other items):

- 1) the existing culvert and any other form of drain tile beneath the driveway will be protected or replaced to allow current drainage to be maintained. *Existing culvert will be replaced, WisDOT is not aware of any drain tile at this time.*
- 2) The ditches created by the project will be no steeper than the current ditches.
- 3) The wetlands on the property will not increase due to the realignment of the roadway.

Other matters of interest and owner concerns:

It is the owner's understanding that: 1) The trees that are outside the slope intercepts in the TLE area will not be affected by the project.

Please call with any questions.
