

NOTE: The N 1/16NE corner of Section 3 is also monumented with a USFS monument but for the purpose of this survey was not tied in.

PLAT OF SURVEY

Verification survey along the north line of Sections 2 and 3 T31N, R15E, Town of Doty, Oconto County, Wisconsin.

• = Forest Service Monuments with scribed caps

Bearings are True North as per USFS survey

SURVEYOR'S CERTIFICATE

I, Kim H Pritzlaff, Registered Land Surveyor, hereby certify: that by the order and under the direction of the Oconto County Forest Lands and Parks Committee, agents, I have resurveyed the north line of T31N, R15E as presently monumented by the U.S. Forest Service. I have found in this resurvey that the monument placed by Milo Stefan, R.L.S. 1558 is in fact the corner common to sections 2 and 3 of T31N, R15E and Sections 34 and 35 of T32N, R15E as established in 1921 by Nathan Smith by proportionate measurement.

The monument set by Jean Rervic, R.L.S. 802, falls in a fence corner intersection and is the perpetuation of previous private property surveys of other surveyors in the NE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of said Section 3.

The within plat is a true and correct representation of the northerly line of the lands so surveyed.

Dated this 28th day of January, 1982.

Kim H. Pritzlaff
Kim H Pritzlaff, R.L.S. 1259
