## Project Requested By or Purpose

The Town of Russell in cooperation with the Wisconsin Department of Transportation under a federally funded program to reconstruct approximately 2.631 miles of Little Sand Bay Road. Little Sand Bay Road is the main access to Little Sand Bay Road Campground and the National Park Service Visitor Center and can become unsafe with the increased traffic volume during the summer months.

## Work Consists of

Pulverize and relay, HMA pavement 4 LT 58-34 S, traffic control, erosion control, pavement marking, and all incidental items.

## Consequences - If Not Approved

This project is needed to provide an adequate driving surface and provide a wider traveled way for users. Failure to construct will cause further deterioration and the shoulders will remain unpaved.
