

NEWS RELEASE & CONSTRUCTION UPDATE INFORMATION

Please provide the following information for use in the publication of news releases and weekly construction updates. This information needs to be provided to the Publications Editor as soon as a pre-con has been held and a firm construction start date has been established.

County: Bayfield

Highway: Little Sand Bay Road

Location: Old CTH K - Termini

Description: Little Sand Bay Road will be pulverized and relayed from Old CTH K to Ridge Road and the shoulders widened from Old CTH K to the termini of Little Sand Bay Road.

Schedule: Fall 2017

Traffic Impact: During construction Little Sand Bay Road will remain open to through traffic with lane closures, suitable for moving operations, utilizing a flagger.

Contact: Chris Ehlert, KL Engineering (715) 231-1600

As the traffic impact changes during a construction project, please inform the Publications Editor so that this information can be changed on the weekly construction update. The information provided will be sent out to the media outlets and legislators in our region on a weekly basis. Information sent out covers the time period of Monday – Sunday of the following week. When providing updated information, please include the name of the county and the highway.

This form replaces the old 3-page form.
