Re: Our Client: Wisconsin Bell, Inc. d/b/a AT&T Wisconsin
Our File No.: 3277.120

Dear Ms. Huerta:

Our firm has been retained by AT&T to handle a litigation matter involving damage to their property from excavation work by Haas & Sons on a road construction project in Eau Claire, WI.

Under the **Wisconsin Open Records Law, § 19.31 et seq.**, I am requesting an opportunity to inspect or obtain copies of public records. Those records requested include:

- Approx. date of project: August 2018. Approx. location Hwy 37 between Clairemont Avenue and Short Street, Eau Claire, WI. Contractor or subcontractor Haas & Sons. Provide plans and drawings; bids; workplans; communications evolving workplan, comments on workplan, change orders or revisions to workplan, meeting minutes; and special provision. Contract with Haas & Sons. More specifically all the aforementioned having to do with AT&T's underground transmissions. Identify if Trans 220 or non-Trans 220 project.

I understand that the Law permits a public body to charge a reasonable copying fee not to exceed the actual cost of reproduction and not including the costs of any search or review of the records. If you estimate that the fees will exceed \$50.00, please inform me first.

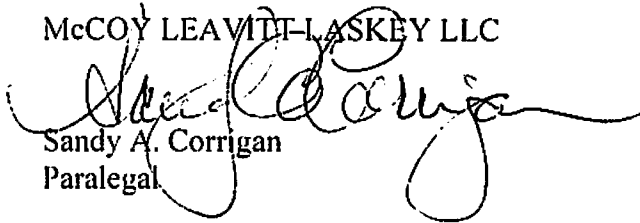

I look forward to hearing from you in writing within five working days described by law. If access to the records I am requesting will take longer than this amount of time, please contact me at (262) 522-7016 with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Very truly yours,

McCOY LEAVITT-LASKEY LLC
