Attachments: 89490502-location.pdf

Hi,

I wanted to send out a quick email to let you know there is a WisDOT project scheduled during the 2021 construction year in your area (please see attached map). WisDOT will be replacing the Wilson Creek Bridge on USH 12. WisDOT will detour the traffic on USH 12. The detour route will be via IH 94 to STH 128. I will be in touch once we get more information. We will be holding a PIM sometime in 2018/2019.

Thanks,

Tyler
