Project ID 1000-57-70
Project Milwaukee Airport 2nd Platform
2RR Crossing 393023R to 1200 FT South
EX-RR Crossing Improvement
Milwaukee County

In accordance with the Code of Federal Regulations 23, Part 635, Subpart C - Physical Construction Authorization, we certify that arrangements for the following work affecting the subject contract have been completed as required for proper coordination with the physical construction schedules:

- ☒ Railroad facilities
☐ No railroad facilities

Arrangements have been made for insurance protection and/or adjustment of railroad facilities and/or acquisition of railroad land interests as required by Code of Federal Regulations 23, Part 646, Subpart A – Railroad Highway Insurance Protection, Subpart B – Railroad Highway Projects, Part 710, Subpart B - State Highway Department Responsibilities and such policies and practices as agreed to between the Department and the Federal Highway Administration.

Comments:

STSP 107-034 has been prepared for this project for the Soo Line Railroad Company (Canadian Pacific) Scope of work includes building platform west of existing tracks, installation of underdrain along west side of tracks, and construction of pedestrian overpass with towers.

(Railroad Project Coordination Engineer – Brush Script Font)
