### WisDOT Region Environmental Coordinator or Local Program Management Consultant

I certify that I meet the requirements for staff who review and recommend approval of Categorical Exclusion (CE) actions, specified in the FHWA – WisDOT CE Agreement. I further certify that I have reviewed this document, and agree with the determination that the proposed project and resultant impacts meet the definition of a CE as described in 23 CFR 771.117(a) & (b), and will not result in significant environmental impacts. I recommend this CE for approval.

## Section One: Introduction & Regulatory Requirements

### 1.1 Purpose and Eligibility

The FHWA – WisDOT Categorical Exclusion Programmatic Agreement (Agreement) allows WisDOT to make categorical exclusion (CE) determinations on FHWA's behalf for certain projects listed in 23 CFR 771.117(d) when the projects do not exceed the environmental impact criteria specified in the Agreement. The Programmatic Categorical Exclusion (PCE) is the acceptable form of documentation for these projects. While the PCE is based on the Agreement with FHWA, it may also be used to document certain projects that require only state and/or local funding and approvals.

## Section Five: Environmental Commitments

List any environmental mitigation measures or commitments that will be incorporated into the project. Any items listed below must be incorporated into the project plans and contract documents. *Attach a copy of this page to the design study report (DSR) and the plans, specifications, and estimate (PS&E) submittal package.*

Environmental Factor	Commitment (If none, include 'No special or supplemental commitments required.')
General Economics	No special or supplemental commitments required.
Business	Detours will be needed for construction at Elmhurst Road and County JJ. Accelerated construction techniques will be used in an effort to minimize the amount of time the detour will be in place.
Agriculture	No special or supplemental commitments required.
Community or Residential	Access will be maintained during construction.
Indirect Effects	No special or supplemental commitments required.
Cumulative Effects	No special or supplemental commitments required.
Environmental Justice	No special or supplemental commitments required.
