

CORRESPONDENCE/MEMORANDUM STATE OF WISCONSIN

Date: 12/1/2023 Version 11.0

To: Jillene Fehrman, P.E.
Attn: Chief Proposal Management Engineer
Bureau of Project Development, Proposal Management Section

From: Amanda Johansen
Project Manager
SE-WKE Region

Approved: Wafa Elqaq
Regional Supervisor

Subject: Project ID 1300-15-70
Milwaukee - Cudahy
S of Clybourn – N of Lincoln Memorial
IH 794
Milwaukee County

Additional Construction Projects Included in the Proposal:
N/A

Corresponding Design Project ID (s): 1300-15-00

Legislative Subprogram Code: 305 – Highway Maintenance, Repair and Traffic Operations

Bid Letting Date (for Bid Contracts): 5/9/2023

INTRODUCTION

We are submitting for your review and approval, the P.S.& E. for the proposed highway maintenance fencing project. Major items of work include fencing and traffic control. The project is 0.000 miles in length and is located in the City of Milwaukee in Milwaukee County. Milwaukee County has the greatest percentage of work.

Project Requested By or Purpose: The Department of Transportation under the highway maintenance program to address safety concerns.

Consequences if not Approved: This project is needed to address safety concerns resulting from debris (such as snow, ice, and trash) falling from the bridge down below and to limit access to the railing. Failure to construct will not address that safety concerns listed above.

Contract Type: LET

Alternative Contracting Methods Used: No

PS&E Due Date: 2/1/2023

Contract Completion Type: Completion Date

Anticipated Construction Starting Date: 7/10/2023

Anticipated All Work Complete Date: 12/1/2023

Performance Miles: 0.000

The contact information for the PDS Chief is:

Jeff Bohen Jeff.Bohen@dot.wi.gov

The contact information for the Project Supervisor is:

Wafa Elqaq Wafa.Elqaq@dot.wi.gov

The contact information for the Project Manager is:

Amanda Johansen Amanda.Johansen@dot.wi.gov

The contact information for the Project Leader is:

Amanda Johansen Amanda.Johansen@dot.wi.gov

The contact information for after advertising is:

Amanda.Johansen Amanda.Johansen@dot.wi.gov

The Consultant contact information is:

N/A {E-Mail Address}

Phone No. () -

The estimate was prepared by: WisDOT

Consultant Company Name: N/A

This project is on the National Highway System.

This project is not subject to federal oversight.

The region is not requesting prequalification be waived for this proposal.

PS&E EXHIBITS

All PS&E Exhibits {See FDM 19-10-1 (1.2.1) Table 1.1} are included in this submittal.

N/A

PRE-BID MEETING

A Pre-Bid Meeting {See FDM 19-10-15} will not be held for this project. The pre-bid meeting is not mandatory.

N/A

SYNOPSIS OF SIGNIFICANT APPROVALS, ACCEPTANCES OR COMPLETED ACTION:

<u>Description</u>	<u>Date</u>
Concept Definition Report	N/A
Final Environmental Document CEC	01/07/2022

TRAFFIC

Work on IH 794 will require daytime shoulder closures and nighttime lane closures.
BTO & Regional Traffic approved the Transportation Management Plan on Pending.

The Finished Traffic Control Plan & Review Meeting was held on Pending

LIGHTING

N/A

This project is on the State Highway System and is N/A.

This project is not on the State Highway System and is N/A.

SPECIAL PROVISIONS

The contract contains the following unusual specification modifications and/or unusual special SPV.xxx.xx items:

Item No. and Description

SPV.0060.01 Unit 1A/1B Platform

STANDARDIZED SPECIAL PROVISIONS (STSP's)

Revisions have been made to the following STSP's:

N/A

PLANS and PROPOSALS

The SE-WKE office requests 25 11"x17" size plans and 25 proposals for construction purposes.

SIGN DETAILS and SIGN PLATES

See FDM 19-10-15 for guidance

Not Required

NATIVE AMERICAN HIRING PROVISION

Is there a requirement? No If Yes, verify [tribal contact information](#) and provide information in the Special Provisions.

ADDITIONAL SPECIAL PROVISIONS (ASP's)

See FDM 19-10-15

ASP-1 Not Required

Total Graduate Hours per Proposal; Number of Graduates N/A; N/A

Total Apprentice Hours per Proposal; Number of Apprentices N/A;
N/A

ASP-3 is required in all federally funded contracts.

ASP-4 is required in all state and federally funded contracts.

ASP-5 Not Required {List SPV Earthwork items ASP-5 applies to, and list fuel usage factor.}

ASP-6 is required in all state and federally funded contracts.

ASP-7 is required in all state and federally funded contracts.

ASP-9 is required in all state and federally funded contracts.

FORCE ACCOUNT AGREEMENTS

Total Agreement Amount: N/A

Excluded Costs: N/A

Cost Effectiveness Findings for Force Accounts Agreements {See FDM 19-10-15} are not applicable.
N/A

N/A

POSTING OF PRELIMINARY PLANS

BPD will post preliminary plans on the HCCI for projects that meet the criteria. (See FDM 19-10-15 for guidance.)

Preliminary plans will be posted on the HCCI if one or more of the following answers is “yes”:

Does this project have 50,000 CY or more of earthwork? No

Does this project have any of the following unique structural components: No

- Steel Girders
- Specialty Steel
- Large Quantities
- Accelerated Bridge Construction (ABC)
- Specialized Construction (“Roll-ins,” etc.)

Is the engineer estimate for this project greater than \$20 million? No

Does the Region deem it appropriate to post preliminary plans for another reason? No
N/A

LABOR COMPLIANCE PREVAILING WAGE RATE DECISIONS

BPD will insert Davis Bacon prevailing wage rates into federally funded proposals based on the following criteria.

Highway construction wage rates (WI10) will be included in all contracts.

Bridge Construction over Federal Navigable Waterway? No

Sanitary Sewer and Water Line Construction? No

Is total estimate of sanitary sewer/water line work \$1,000,000 or greater? No

What percent of total contract estimate is sanitary sewer/water line work? 0%.

Building Construction (construction, rehabilitation and repair of sheltered enclosures with walk-in access for the purpose of housing persons, machinery, equipment, or supplies. Examples wayside building, salt shed, bridge tender house, etc.)? No

CONCLUSION
