

FIIPS Design ID	1360-12-00	SCT Project No.	1341
FIIPS Construction ID	1360-12-70	SCT Adv. FY	
FIIPS EPS&E Date	08/01/2022	SCT FY	2024
FIIPS PS&E Date	08/01/2023		
FIIPS Let FY	2024		

Structure ID	B-40-0252	Feature On	N 107TH ST
Region	SE	Feature Under	STH 145-W FOND DU LAC A
County	MILWAUKEE		
Municipality	MILWAUKEE		

## BOS Certification Liaison:

Name	Josh Dietsche	Phone Number	608-266-8353
Email	joshua.dietsche@dot.wi.gov		

## Primary Work Concept:

(91) REPLACE STRUCTURE

## Secondary Work Concept(s):

Secondary work concepts to be determined by regional bridge maintenance staff

## Additional Certification Information:

Structure Design Resourcing	Contact BOS Design
Estimated Construction Cost	Region to determine
Estimated Design Level of Effort	Region to determine; Contact BOS Design for questions
Range of Acceptable PS&E Dates	01/01/2023 - 06/30/2024

## Structure Certification Comments:

Transitionally Certified by Josh Dietsche

This document certifies that BOS approves the primary scope and secondary scope of work for this structure project for the range of acceptable construction dates listed above. Additionally, the estimated construction cost and estimated design level of effort has been provided to the Region.

Aaron M. Bonk, P.E. - Bureau of Structures Design Chief

Certification Date 01/01/2019
