Julie,

Thank you for forwarding this message. I have copied John, Chief Young and Attorney Jaekels as well.

Chief, is there an accident report available for this incident?

Paul

Subject: Serious Hazard on Lake Drive

Dear Ms. Siegel,
While driving my Vespa scooter south on Lake Drive yesterday at around 4 pm my vehicle began to hydroplane into oncoming traffic. I wound up flying off the scooter and my body skidding along the surface of the road. I was taken to St. Mary's emergency room where my multiple wounds were treated for four hours. I have since learned that the Village has applied some kind of powder to Lake Drive and has been warned that it makes the surface of the road hazardous to bicycles. I hope you will look into this matter and have the material removed immediately before anyone else is injured and possibly killed. Thank you for your attention.
Sincerely,
Frances Assa
