The archival and literature review has been completed for the above project. The project was added to the screening list on December 16, 2019 for both archaeology and history.

Please be aware that an archaeological site extends into the project area. You shall adhere to the **commitments outlined below** (which have been entered into PMP):

Commitments	The following sites have commitments for the project
If the undertaking includes ground disturbance beyond the existing back edge of curb, it is recommended that a <b>qualified archaeologist monitor</b> the construction-related ground disturbing activities.	<ul style="list-style-type: none"><li>47KN362 (<i>Upper Pine Creek Village</i>): (extends)</li></ul>
<b>Site(s) shall not</b> be used for borrow or waste disposal, and the site are not currently capped by asphalt/concrete should not be used for the staging of personnel, equipment and/or supplies.	<ul style="list-style-type: none"><li>47KN362 (<i>Upper Pine Creek Village</i>): (extends)</li></ul>

If the scope or activities of the undertaking change, further consultation with the Bureau of Technical Services' Cultural Resources Team (CRT) will be required for project re-evaluation.
