Parcel: N/A
Utility ID: N/A

Level 3 File Number: **106617 WI**

To whom it may concern:

This letter is to advise you that we have received your proposed Work Plan for the subject project and have found it to be in conformance with Chapter TRANS 220 of the Wisconsin State Statutes.

The utility special provisions in the contract documents are based on your approved work plan. If you make any change to your proposed work plan, please contact me so I can revise the contract documents as necessary.

It is my understanding that Level 3 Communications has no facilities within the project limits for Project 1060-34-78. The anticipated let date for this contract is January 9, 2018. The anticipated start of construction is March 1, 2018.

If you have any questions, please call me.

Respectfully,

Margaret Liedtke

1. Describe your proposed relocation plan for the above project, as requested in the enclosed letter, using highway stationing whenever possible. Attach extra sheets if needed.
None

2. Conflicting utility facilities will need to be relocated prior to construction. If this is not feasible, provide an explanation and an indication of what work will require coordination with the highway contractor during construction.
NA

3. Anticipated Start Date
NA
4. Estimated construction time required (In **working** days)
NA
5. List the approvals required and the expected time schedule to obtain those approvals.
NA

6. Include a list of the real estate parcels that the Wisconsin Department of Transportation (DOT) must have acquired to enable your company to complete the necessary facility installations and relocations prior to construction.
NA

7. Review the enclosed plans for the above project. Are your facilities correct as shown? If not, list the errors. In some cases, it may be easier to return a marked up copy of the plan. **It is very important that your facilities are shown correctly because all construction field personnel will use this information. Uncorrected location errors could create construction delays or damage to utility facilities.**
YES

8. Is this work dependent on work by other utilities? If so, which other utilities, and what time schedule has been coordinated with them?
NO

9. Please provide the name, address, telephone number and e-mail address of the field contact person for this project, so that we may place this information on the highway plan.

10. List any other relevant information that may impact the ultimate goal of preventing construction delay due to uncertain scheduling of utility facility relocations.

11. Yes ☐ No ☒ Do you have any facilities that are no longer in use but have been left in place in the project area? If "Yes", approximately where are the facilities located and what type and size of facility is involved?

☐

☒

Does the line have any remaining product?

☐

☒

Does the line have any asbestos wrap or any other hazardous materials associated with it?

☐

☒

Does any part of the line conflict directly with the proposed highway project? If so, what arrangements have been made to remove those portions? This should be mentioned as part of your work plan in question number 1 on this form.

☐

☒

Is there any reason the highway contractor cannot remove portions of the line left in place?

If you answered "Yes" to any of the questions above, please attach additional pages.

Larry,

Level 3 has received your utility request dated 9/11/17 regarding the Zoo-IC Detention Pond , Wauwatosa, WI ("Project"). After reviewing the information you provided it has been determined that Level 3 does not have facilities within the scope of the Project. Therefore it will not be necessary for Level 3 to relocate or adjust the facilities from where they are currently located.

Any changes or additions to the Project plans or parameters should be submitted to Level 3 for review of potential new impacts to the Level 3 facilities. Please reference the file number **106617 WI** with any future communications.

Thank you,

Xan Marie Rypkema
