

Braun Revision (9/1/2018)	
Summary of Changes	
1.	Begin Project station moved to 71BRE+75.00
2.	Removed tie-in asphalt pavement at End Project, east of concrete pavement
3.	Removed access N3 and N5 (west and east access roads on north side) and their WB right turn lanes/EB slotted left turn lanes
	Revised special ditching, along north side, through former access road locations (BRW_SD_LT_06)
4.	Revised special ditching, along north side, between 92+00 - 95+00 to bring in the slope intercepts near the box culvert PLE/TLE
5.	Revised BRE and BRW vertical alignments from 64BRE+00 - 80BRE+45 to accomodate WVV intersection
6.	Revised BRE horizontal alignment from 54BRE+36.41 AH - 78BRE+21.83
	Added Station Equation at 54BRE+36.47 BK = 54BRE+36.41 AH., which is at the end of Braun FR and the beginning of Braun WVV
7.	Added WB slotted left turn lane and WB right turn lane at WVV intersection
8.	Removed 2 bio-swales where the WB slotted left turn lane at WVV intersection was added

Braun Revision (9/1/2018)		
Summary of Sheets That Have Been Updated		
Sheet Type	27040970_let_For Reference-7-31-18 Page Number	Notes
Construction Details	15	Added Inlet Cover Beehive detail
Curb Ramp Details	43	Re-did curb ramps on North side of Braun Rd and West side median island (North leg of intersection removed)
	45	Re-did curb ramps on North side of Braun Rd and West side median island (North leg of intersection removed)
Plan Details	46	Project limits changed, WB turn lanes added, Alignment shifted
	47	WB turn lanes added, Alignment shifted
	50	EB Left turn lane removed
	51	EB Left turn lane removed, WB Right turn lane removed, North leg of intersection removed
	57	EB Left turn lane removed
	58	EB Left turn lane removed, WB Right turn lane removed, North leg of intersection removed
	59	Tie in from Proposed to Existing removed from project
	60	PAGE DELETED FROM PLAN SET
Paving Grades	61	Project limits changed, WB turn lanes added, Alignment shifted
	62	WB turn lanes added, Alignment shifted
	65	EB Left turn lane removed
	66	EB Left turn lane removed, WB Right turn lane removed, North leg of intersection removed
	72	EB Left turn lane removed
	73	EB Left turn lane removed, WB Right turn lane removed, North leg of intersection removed
	74	Tie in from Proposed to Existing removed from project
	75	PAGE DELETED FROM PLAN SET
Storm Sewer	134	Inlet locations changed due to WCVW turn lanes added
	135	Profile adjustments
	136	Inlet layout revised along EB curb
	137	Profile adjustments
	138	Profile adjustments, Pipe cut off at R/W
	139	Profile adjustments
	140	Inlet locations changed due to EB LT Turn Lane removed, some inlets removed
	141	Profile adjustments
	142	Inlet locations changed due to EB LT Turn Lane and WB RT Turn Lane removed, some inlets removed
	143	Profile adjustments
	146	Inlet locations changed due to EB LT Turn Lane removed, some inlets removed
	147	Profile adjustments
	148	Inlet locations changed due to WB RT Turn Lane removed, some inlets removed
	149	Profile adjustments
	150	Profile adjustments
	151	Profile adjustments
	152	Inlet locations changed due to EB LT Turn Lane removed, some inlets removed
	153	Profile adjustments
	154	Pipe cut off at R/W
	155	Profile adjustments
	156	PAGE DELETED FROM PLAN SET
	157	PAGE DELETED FROM PLAN SET
	158	PAGE DELETED FROM PLAN SET
	159	PAGE DELETED FROM PLAN SET
	160	PAGE DELETED FROM PLAN SET
	161	PAGE DELETED FROM PLAN SET
Permanent Signing	190	Project limits changed, WB turn lanes added, Alignment shifted
	192	EB Left turn lane removed, WB Right turn lane removed, North leg of intersection removed
	194	EB Left turn lane removed
	195	EB Left turn lane removed, WB Right turn lane removed, North leg of intersection removed, Tie in removed
	196	PAGE DELETED FROM PLAN SET
Lighting Plan	197	General Notes and Legend updated
	198	Lighting Bases moved due to Wisconsin Valley Way turn lanes
	199	Lighting Bases moved due to removal of Braun EB LT Turn Lane to north driveway
	200	Pullbox/Lighting bases adjusted due to change in intersection geometry
	201	Lighting Bases added at intersection
	202	Lighting Bases moved due to removal of Braun EB LT Turn Lane to north driveway
	203	Pullbox/Lighting bases adjusted due to change in intersection geometry
Signal Plan	205	Removed median intersection lighting, Signal Cabinet moved to avoid utilities, EVP Confirmation lights added
	206	PAGE DELETED FROM PLAN SET
	207	Tables updated
	208	Tables updated
	209	Tables updated
Communication Plan	211	Removed median intersection lighting, Signal Cabinet moved to avoid utilities, EVP Confirmation lights added
Pavement Marking	212	Project limits changed, WB turn lanes added, Alignment shifted
	213	WB turn lanes added, Alignment shifted
	216	EB Left turn lane removed
	217	EB Left turn lane removed, WB Right turn lane removed, North leg of intersection removed
	223	EB Left turn lane removed, EB lane drop removed
	224	EB Left turn lane removed, WB Right turn lane removed, North leg of intersection removed, EB lane drop removed
	225	EB lane drop removed, Tie in from Proposed to Existing removed from project
	226	PAGE DELETED FROM PLAN SET

Alignment Plan		
	316	Project limits changed, BRE alignment shifted, BRE Curve Data updated
	318	Access N3 alignments removed
	320	Access N5 alignments removed
	321	End Construction station changed (no tie-in anymore)
Miscellaneous Quantities		
	338	Earthwork Quantity Updated
	339-342	All Substructure Quantities Updated
	343	All Concrete Pavement Quantities Updated
	345	Asphaltic Surface Temporary, Cold Patch Quantities Updated, Permanent Asphalt Related Quantities Eliminatec
	346-350	All Concrete Curb & Gutter Quantities Updated, 6-Inch Sloped 36-Inch Type D Eliminatec
	351-353	All Concrete Sidewalk Quantities Updated
	368-370	Signs Type II Reflective H, Signs Type II Reflective F, Posts Wood 4X6-Inch X 18-FT Quantities Updated
	374	All Pavement Marking Quantities Updated, Temporary Marking Arrow Epoxy and Temporary Marking Stop Line Epoxy 18-Inch Eliminatec
	378-391	Storm Sewer Pipes
	392-405	Storm Sewer Structures
	408	Bioretention Cell A, Bioretention Cell B Quantites Updated
	409-420	Traffic Signals
	421-422	Lighting Items
Plan and Profile		
	432	Project limits changed, pavement file updated, Profile updated
	433	Pavement file changed, no profile modifications
	434	Pavement file changed, no profile modifications
	436	Pavement file changed, no profile modifications
	437	Pavement file changed, no profile modifications, End Construction changec
	438	Project limits changed, pavement file updated, Profile updated
	439	Pavement file changed, no profile modifications
	440	Pavement file changed, no profile modifications
	442	Pavement file changed, no profile modifications
	443	Pavement file changed, no profile modifications, End Construction changec
Cross Sections		
	574-635	Cross Sections recut to account for change in limits, change in pavement file,

Braun Revision (9/1/2018)		
Summary of Deleted Sheets		
Sheet Type	27040970_let_For Reference-7-31-18 Page Number	Notes
Typical Sections		
	11	No longer have tie in at East end
Plan Details		
	60	Noted in Sheet Summary Tab
Paving Grades		
	75	Noted in Sheet Summary Tab
Erosion Control		
	103	End Project/End Construction limit changed
	110	End Project/End Construction limit changed
	117	End Project/End Construction limit changed
	124	End Project/End Construction limit changed
	131	End Project/End Construction limit changed
Storm Sewer		
	156	Noted in Sheet Summary Tab
	157	Noted in Sheet Summary Tab
	158	Noted in Sheet Summary Tab
	159	Noted in Sheet Summary Tab
	160	Noted in Sheet Summary Tab
	161	Noted in Sheet Summary Tab
Existing Signing		
	189	End Project/End Construction limit changed
Permanent Signing		
	196	Noted in Sheet Summary Tab
Signal Plan		
	206	Noted in Sheet Summary Tab
Pavement Marking		
	226	Noted in Sheet Summary Tab
Traffic Control		
	229	Deleted in previous plan revision
	230	No longer have tie in at East end
Miscellaneous Quantities		
	342	Substructure now fits on 3 sheets
	350	Curb and Gutter now fits on 4 pages
	388-391	Storm Sewer Pipes now fits on 10 pages
	402-405	Storm Sewer Structures now fits on 10 pages
	422	Both lighting MQ tables are on one sheet now
Cross Sections		
	569-573	Deleted in previous plan revision
	632-635	End Project/End Construction limit changed
