Hi Dan,
Thank you for this guidance. Based on your outline should I conclude that Marian will be the primary POC on this request? Will she be coordinating this document scan and facilitating the referenced review or will your office? I appreciate your thoughts to clarify this.
Thanks,
Dan

Ok, then I believe this would be a SW Open Records request. Marian Lisowski should be able to take it from here.

Marian, please note the individuals that this has been forwarded to. Also, please note that an acknowledgement emails has not be sent. Please log, process, and respond to this request.

If you have any questions please let me know.

James

Good afternoon:

No one from my team has had any contact in any manner with this requester. We were sent the email and request yesterday. I immediately forwarded it to the region PM (Craig Fisher)/mgt (Dave Vieth/Angela Adams), OGC (Paul Nilsen/Dan Graff) , and Rose.

Thanks,

Dan

Couple of questions.

Has anyone sent an acknowledgement email to the requester?

Lisa or Carole, did you want to take lead on this OR or prefer that I take the lead? Logging in open records tracking site and drafting response letters, etc.

Is there one person in BHM that can gather all the information that is being requested? If not, who would be the individuals from BHM that are associated with the requested materials?

Thanks.

James
