Yes, we should be good on this one. I'll make the change and include this email with it.
Thank you.

Hello Jill:

If you add the words "and Water" after Sewer on the form you sent me and I sent back filled out are we okay?. I did not see the word Sewer so I assumed the form was for all of our utilities that the City of La Crosse owns and maintains. This includes Sanitary Sewer, Storm Sewer and Water. The Map sent included all three utilities. I hope one form would work otherwise it seems redundant.

Thanks!
Randy

I only received the completed Sewer Form; I didn't receive the Water one. If you can email me the water one that would be great, otherwise send me an email that the Sewer form should be for both the water and the sewer.

Thank you!

Greetings – attached is the Project Highway Improvement Notice for the subject project. Please read through the attached documents and respond accordingly. Randy, this is for the water and the one sent a few minutes ago was for the sewer. Please return both completed 1077s.

Your initial response (the DT1077 form) should be completed and returned within seven days of when you receive this notice.

Your responses can be returned via email (preferred) or regular mail to the address listed below.

If you have any questions, please feel free to contact me.
