

APPLICATION/PERMIT FOR PEDESTRIAN CROSSWALK MARKING

Wisconsin Department of Transportation
DT2136 10/2014 s.86.07(2) Wis. Stats.

When approved, this permit documents the terms and conditions for use by the Municipality for installation and/or maintenance of pedestrian crosswalk marking on highways under the jurisdiction of the Wisconsin Department of Transportation. The applicant must obtain this approved permit prior to marking the crosswalk.

Submit the completed application to the WisDOT Regional Office that has maintenance jurisdiction of the state trunk highway in the county where the crossing will be located. A single application will be made for each intersection or mid-block crossing. Multiple crossings at an intersection may require a separate detail for each crossing.

Crosswalk Marking Installation Conditions

1. WisDOT's Policy for Crosswalk Marking is made a part of this permit agreement. By entering into this agreement, the Municipality agrees to the terms and cost arrangements in this policy document.

2. The design, installation and operation shall comply with Chapter 3 of the Wisconsin Manual of Uniform Traffic Control Devices.

3. During the installation and/or maintenance, the permittee shall follow all pertinent provisions for work zone traffic control as provided in Part 6 of the Wisconsin Manual of Uniform Traffic Control Devices.

4. The permittee shall coordinate the installation with the WisDOT Regional Office and other right-of-way users (i.e., utilities, adjacent property owners, etc.).
5. The permittee shall repair any damage to the pavement and/or right-of-way caused by installation or maintenance of equipment. Failure to do so promptly will result in permit revocation.

6. The permittee shall notify WisDOT after layout of the authorized work has been completed, but prior to the installation of any markings.

7. Permitted facilities shall be located as defined within this permit. Any part of the facility found to be otherwise located shall be subject to correction by and at the cost of the applicant to such extent as the WisDOT Regional Office may specify.

8. The permittee should be aware that future upgrading of the highway will remove the permitted crosswalk. A future permit will be needed to replace the crosswalk.

It is understood and agreed that approval is subject to the applicant's full compliance with the pertinent Statutes, as well as any codes, rules, regulations, and permit requirements of other jurisdictional agencies. The applicant shall also comply with all permit conditions, superimposed notes, and detail drawings, which may be added by WisDOT. Any alteration of this form by the applicant is prohibited and may be cause to revoke this permit.

The undersigned certifies that he/she is authorized to sign this application on behalf of the named unit of government.
